- Peer Benchmarking
- S&P Capital IQ
- Report Writing
- Data Analysis
- NISM – XV certified

WORK EXPERIENCE

Credit Analyst

Crisil Ltd., Pune, Maharashtra **February 2024 – Present**

- **Drafted detailed rating rationales, research updates, and outlook reports** for 20+ banks across EMEA – Middle East & CIS region, fully aligned with S&P Global criteria.
- **Analysing economic and industry risk across GCC and CIS banking systems** under the BICRA framework, translating into institution-level anchor ratings and delivering publication-ready reports to S&P Global primary analysts.
- **Built multi-year financial forecasts** covering capital adequacy, NPA trajectories, and profitability metrics across the portfolio, to support ongoing surveillance activities.
- **Performed peer benchmarking** across 15+ banks, analysing key credit metrics including RAC ratios, NIM, loan-to-deposit ratios, and liquidity coverage, synthesising insights into structured research reports distributed to S&P Global's investor audience.
- **Maintained continued portfolio surveillance across 20+ banks**, tracking regulatory developments and sector trends to identify emerging credit risks.
- **Communicate credit views and analytical recommendations** to the primary analyst across Business Position, Asset Quality, capital adequacy, and Funding and liquidity pillars, supporting rating committee discussions and final rating decisions.

Finance Intern

Receivables Exchange of India Ltd. (RXIL), Mumbai, Maharashtra **April 2023 – June 2023**

- **Designed and delivered the organisation's first structured Risk Register** for FY 2023-24, identifying and categorising operational, financial, and compliance risks across business units.
- **Built a live Power BI Financier Data Dashboard** and assisted in preparing financial statements.
